**Subject:** SJWP RI/FS - FA FY2013 Continuation Certificate and Power of Attorney

Bob, I just got back in the office and checked my file for the Financial Assurance for SJWP and it appears the Power of Attorney was sent. The file only contained copies and original memos to me from the original signatories. I will get duplicates and will re-forward to you. It may take a week because I have to track down all the people that have signature authority for MIMC. Best regards,

Drew
